Thoughts from the Volunteer Office . . .

Wow, is it really August already?! Overall it has been a very sunny summer and do hope you have had a chance to get out and enjoy every minute of it. Volunteer Services has been a busy place with all of our high school and college summer volunteers. Many of our adult volunteers have had the opportunity to work alongside our students and have been wonderful partners. I want to personally thank all of you for keeping our volunteer assignments running so smoothly, it greatly benefits our patients, their families, and our staff. I am constantly amazed at how fortunate we are to have all of you as a part of Northeast Hospitals!

I want to share of couple of reminders with you as well:

- Over the next couple of months, the hospital will be doing some repair work to the connector road on the Beverly Hospital campus. This work may have some impact on the volunteer parking lot so please feel free to use the parking garage if the lot is unavailable when you arrive to volunteer.
- Don't forget that Human Resources has discount tickets available for sale to Six Flags, Canobie Lake and Water Country. (all three places provide great summer activities) Discount movie passes are also for sale in HR. Please have your volunteer badge with you when you make a purchase. And remember, exact cash or checks only please. Enjoy!

Now Open: Satellite Gift Shop - Debi Johnson

The Sunflower Satellite Gift Shop Shoppe "Part Two" is now open at the main lobby of the Beverly Campus. Response from patients and visitors has been wonderful. They are enthusiastic about the location, the "look" and having neighborhood volunteers greet them with a smile as they are assisting with gifts and directions. Currently we have both veteran and new volunteers alike staffing the lobby location

Part Two is currently open Monday through Friday from 10 a.m.-5 p.m. Hours of operation will be expanded as additional volunteer staff come on board. To date, a great group of both veteran and new volunteers are staffing the lobby location, but could use your help to complete our schedule. Please drop by and say hello and see what the shop has to offer! Your volunteer discount is available at this new site.

Have a handful of paperback books to donate to the Volunteer Office Book Cart?

Our cart empties quickly when our book cart volunteers round the patient floors—

Thanks for thinking of us when donating your used books!

Ask Jane or Laura (x2307 or x2308) if you have any questions

Please note: Our storage space is limited to our book cart, so unfortunately we are not able to take large quantities of books—thanks!
