Navigating PCI-
Patient Care Inquiry

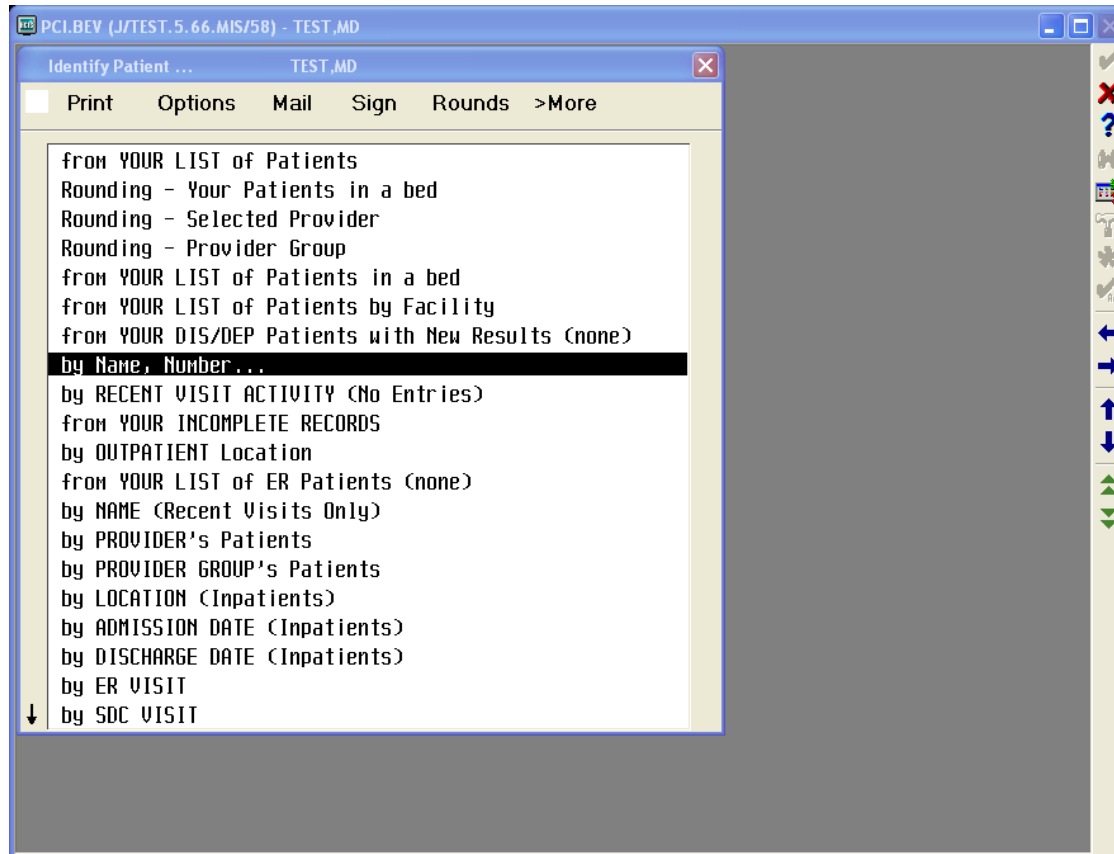

Log in information is provided by User Provisioning. Please call (978)922-3000 ex. 2600 for access issues

Log in and select PCI

Search options

Search by Name or Record Number

Use the right and left arrows on the keyboard to navigate through PCI. The right arrow moves you into the selected screen and the left arrow will move you back out.

Narrow your search results:

Enter identifying information

Identify Patient: ✕

Enter last,first name, U/Unit#, date, visit-type/date, A/Acct#, SCH/date, social sec #, L/location, R/room or ? for more.

SMITH,G [REDACTED]

Choose the correct visit for this patient

Select Patient (Family Name: SMITH, Proper Name: GEORGE) ✕

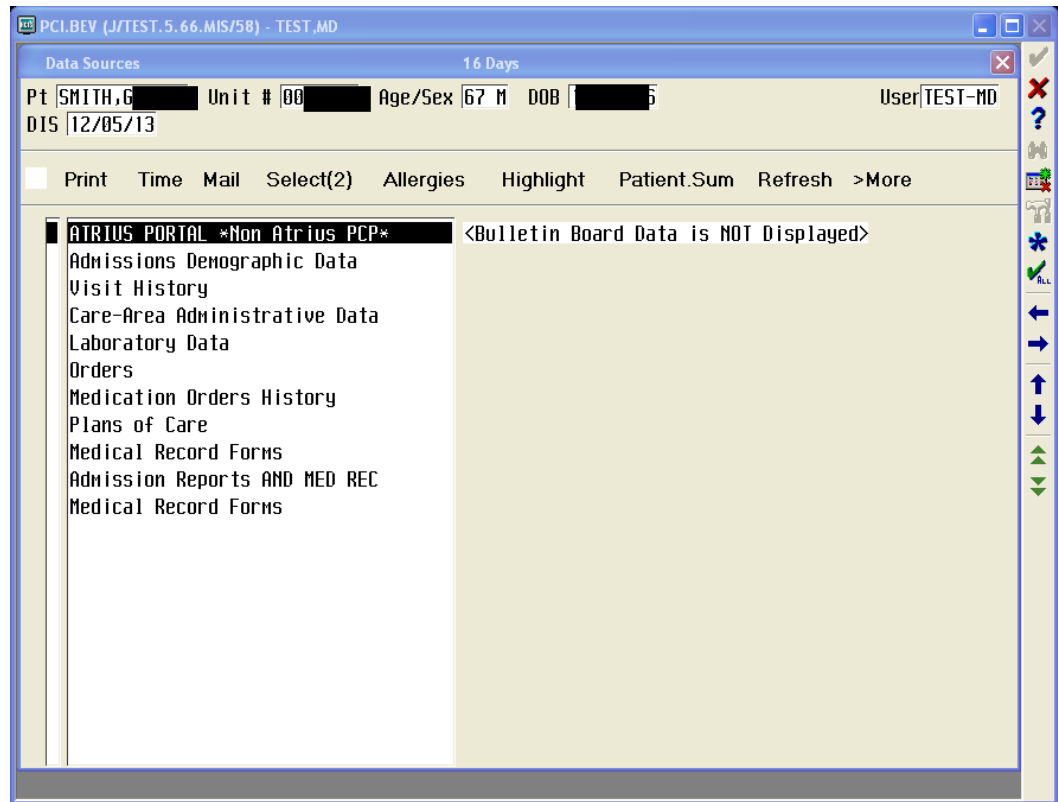

Add Mail

| Name | Unit # | Age/Sex | Status | Date | Location |
|-------------------|--------|---------|--------|------------|------------|
| SMITH, [REDACTED] | 0000! | 67 M | DIS IN | Dec 05, 13 | J5 5070F |
| SMITH, [REDACTED] | 0000! | 67 M | DIS IN | Nov 26, 13 | J3 311 |
| SMITH, [REDACTED] | 0000! | 56 M | ADM IN | Nov 21, 13 | ER-HLD ERH |

Enter the patients name or record numbers using the formats above. For example to use an account number type "A/000000086886". The next screen shows patients with similar identifying information and may show different visit dates. Choose the one that meets your needs.

Review your patients chart

- ER Reports
- Surgical Reports
- Lab Results
- Order History
- Medication History
- Consultations
- Dictations
- Scanned Images
- Archived Documentation
- And More!

The next screen is where you will access information for the patient you have selected. Use the right and left arrows to view information.
